Following successful rallies over the last three years, the Cambridge and District Classic Car Club is again holding a Classic Car Rally on the Old Palace Green, directly opposite the west door of Ely's historic cathedral, on Saturday 28 July 2018. We are hoping to make the event even better and bigger than the previous shows.

Participation is open to all classic cars owners, whether members of CDCCC or not, and the Club invites participants to join us to make it a great day out. Participants are encouraged to make a voluntary donation to our chosen charity, the Prostate Cancer UK (prostatecanceruk.org), and we will be collecting for them throughout the day. All money donated and collected will be passed on in full.

Access to the show for the public will also be free. Our intention is create a community atmosphere around the friendly enjoyment of and interest in classic cars, and the memories they evoke.
