

Cambridge and District Classic Car Club

The Ely Classic Rally

Old Palace Green, Ely Cathedral

Saturday 1st August 2026

The Cambridge and District Classic Car Club is holding a Classic Car Rally on the Old Palace Green, directly opposite the west door of Ely's historic cathedral, on Saturday 1st August 2026.

Participation is open to all classic car owners, whether members of CDCCC or not, in cars first registered prior to the 1st January 2000. The event will be raising money for the club's chosen charity, G-Whizz. This is a small charity based in Sawtry that provides cycling experiences for disabled people. It is run by volunteers and they exist only on the donations received. Entrants are encouraged to make a generous voluntary donation to the charity, preferably with the submission of the entry form, to take part in the event. As a small charity, the money that we raise makes a real difference to their operation. We will be collecting for them throughout the day and all money donated and collected will be passed on in full.

Cars are to be on display between 10.00am and 4.00pm and will not be permitted to leave before this time except in an emergency. This is for safety reasons as a large number of the public attend the show and there are public footpaths through the site.

The purpose of the event is to enjoy classic cars in a lovely setting and to raise as much money as we can for the charity.

To register, please complete the attached form and send it to: CDCCC Events, 5 Blacksmiths Close, Abbotsley, St. Neots, PE19 6UQ or by e-mail to events@cdccc.org.uk. Please do not use any other e-mail address as your application may be missed.
